Campaign Spending: [List of Filers](#)

I am a native Hawaiian born in Hilo, a graduate of Punahou and Chaminade Univ., and have an M. A. from Central Michigan Univ. in Management/Supervision. I served as a weather technician as an enlisted man in the U.S. Air Force, then as a pilot, and retired from the Air Force with the rank of Lieutenant Colonel. I was appointed as head of the Oahu Civil Defense Agency for the City and County of Honolulu, then as Deputy Director of the Department of Auditoriums, retiring after eleven years of service.

My duties throughout my careers pointed out the importance of developing skills that were imperative for the successful accomplishment of the job: attention to detail of tasks that could jeopardize the lives of assigned personnel as well as the public; careful assignment/management of personnel to duties that fully utilize their skills while recognizing their limitations; fiscal decisions that not only met budgetary limits but "got the biggest bang for the buck".

I have been a resident of Mililani since 1969 and was involved in youth activities for many years as the president of Pop Warner Football, both locally and the district, and was a volunteer coach of a Bobby Sox team. I was a member of the first recreation committee that provided Santa's helicopter arrival and published the first Mililani Ka Nupepa.

I temporarily filled a position on the Mililani Town Association Board and was elected to a position on the Mililani Neighborhood Board.
